

Resiliency

"Mental health care must focus on increasing the child's ability to successfully cope with life's challenges, facilitating recovery, and building resilience—not just on managing symptoms."
(JCAHO, 7/11/05)

The Advocacy Alliance, a Mental Health Association is a private, non-profit agency founded in 1956. We are dedicated to promoting mental well-being; supporting Recovery for adults who have a mental illness; Resiliency for children and adolescents who have emotional / behavioral disorders; Everyday Lives for individuals who have developmental disabilities; and Independence for older adults and individuals with physical disabilities, by providing advocacy and services.
